

# CABERNET SAUVIGNON

## Outstanding

**2005 Brookwood Estate Margaret River Cabernet Sauvignon** Here we have all the positive elements of cabernet sauvignon bundled into one brilliant wine. First there's the vibrant cassis aroma and flavour enhanced by the faintest hint of leaf. Then there's the intensity, fine, firm tannins, integrated oak and persistent finish. Why would anyone ask for more? (\$35.00) *Excellent Value*

**2005 Punters Corner Sovereign Reserve Cabernet Sauvignon** This wine typifies everything that is great about Coonawarra cabernet. It's bright in colour, aroma and flavour. It delivers intense, clearly defined cassis cabernet character. The impressive flavour is balanced by firm, fine tannins and a deftly applied touch of oak. Cellar 6-8 years. The big alcohol does not result in blurred varietal character or a hot finish. (\$60.00)

**2005 Balnaves of Coonawarra The Tally Cabernet Sauvignon** The top label of the Balnaves family has firmly established itself as one of Coonawarra's best. This wine lives up to its reputation, delivering powerful cassis fruit, classic regional acidity and positive oak. Long term cellaring will be richly rewarded. (\$80.00)

**2005 Cape Grace Margaret River Cabernet Sauvignon** A very fragrant cabernet showing obvious cassis aromas and a subtle charrly overtone. The palate is long and vibrant and the tannins firm and fine. Very much in the classic cabernet style. (\$42.00)

**2005 Fox Gordon King Louis Cabernet Sauvignon** Quite a big cabernet, but still very much varietal. The rich cassis flavour is very attractive, lush and ripe. Varietal characteristics are not overcome by its comparatively warm regionality. Very well crafted. (\$49.95)

## Highly Recommended

**2005 Sunnyhurst Cabernet Sauvignon** An impressive young cabernet with sharply focused varietal fruit in the blackcurrant-blackberry spectrum. The tannins are beautifully balanced and the finish is persistent. (\$20.00) *Excellent Value*

**2004 Juniper Estate Margaret River Cabernet Sauvignon** Clear-cut cabernet offering hints of leaf and mint to complement the blackcurrant fruit. The oak shows some mocha character but doesn't dominate the fresh fruit. (\$34.00)

**2005 Cavalier Crest Cabernet Sauvignon** Although there's some dusty and capsicum characteristics, the intensity of fruit and elegance of the palate carry this wine across the line. The tannins are fine and savoury. (\$24.00) *Excellent Value*

**2005 Chalkers Crossing Hilltops Cabernet Sauvignon** The nose is particularly attractive, packed with red fruits and mulberry aromas. Fine tannins frame a long, even palate. Very well made. (\$25.00) *Excellent Value*

**2005 Gralyn Estate Cabernet Sauvignon** Quite complex, with dusty overtones. This wine shows its oak, but the intense varietal fruit copes with it. Should age well. (\$95.00)

**2004 Punters Corner Cabernet Sauvignon**  
Toasty and just a touch herbal, but it has delicious varietal flavour and fine supple tannins. (\$30.00)  
14.5% Procork SILVER

**2005 Fraser Gallop Estate Margaret River Cabernet Sauvignon** Clearly made from perfectly ripe and concentrated fruit, this cabernet has plenty of power combined with finesse. It's just a little firm at the moment. (\$N/A)
